

NPMMPD

Total roofing solution

About Us

New Pashchim Maharashtra depot (NPMPD), established on 30 April 1994, is one of the oldest companies in the Industry.

Founded over 21 years ago by the Subhash Bedmutha with two of his brothers, encouraged by his own ambitions and vision and motivated by his father Champalaal Bedmutha, NPMPD Manufacturing Company has now grown from a maker of Roofing Sheets to..... The company's ethos of hard work, skill and innovation have lent them a strong standing in the sector.

The arch has been an engineering and architectural marvel since time immortal. Recognizing the importance of this aspect of engineering, New Pashchim Maharashtra Patra Depot excels at providing innovative and self supported roofing technology. Taking Indian Engineering to the next level, Npmpd has had the opportunity to work for some of the biggest companies in India. Having understood the needs of its customers well, a decade ago the company set foot in the Indian market. We have thus excelled at providing customised solutions that facilitate the need for extremely safe, durable, cost effective, aesthetically appealing & easy to install Roofing Profiles. Unique features of the roofs provided by us, such as them being maintenance free and having longer life, stand us out. As the basic purpose of a roof is to ensure utmost protection to goods, machinery and people, our system caters to unprecedented hazards such as fire, earthquakes or hurricanes. Taking varied aspects into consideration while designing solutions for clients has lent New Pashchim Maharashtra Patra Depot the opportunity to glimpse the pinnacle of engineering success.

NPMPD

Self Supported Wide Span Roof

Self Supported Structure without Trusses, Purlins or or any Support

Trusses, Purlins or any other kind of ancillary... none of these are required to have NEW PASHCHIM MAHARASHTRA PATRA DEPOT installed. Roof stands on its own up to 36 meter-spans, thus offering economy in both, time and energy.

Free From Holes, Nuts, Bolts & Overlaps

One of the strongest distinguishing features of our product is the mechanical system of panel connection which required no holes, nut/bolts, overlaps or sealants, adding on to the economy of costs.

Unobstructed 36 Meters of Clear Spans

Our System is a stunning success when it comes to roofing for wider spans. A continuous roof of up to 36 meters at a stretch can be easily and very effectively covered with PASHCHIM MAHARASHTRA PATRA DEPOT. The technology drives this essence from its formation that makes itself supported to sustain external load factors without any steel structure and intermediate columns.

Benifits

1 Zero Maintenance

This innovative technology makes our products needless of any ongoing efforts towards maintenance, thus completely elimination the need for constant safeguarding.

2 No Bird Nuisance

As our System is free of any support structures, the possibilities of any kind of bird nuisance in the building interiors are eliminated. Overcoming this common problem faced by the conventional roofing alternatives, our product ensures you cleaner and more hygienic factories and warehouses

3 Durable 100% Leak-proof

Our technology is full-proof against water seepage and extreme weather conditions. This leads to enhanced protection to goods & machinery stored in your facility, thus substantially reducing the costs related to product failure, rejection or damage.

4 Large Enclosed Volumes

The absence of any supports structures in our System results in larger enclosed volumes, which offers optimum space utilization.

5 Resistance To Damage & Corrosion

The basic purpose of a roof is to ensure utmost protection to the goods, machinery and people. And that's where our prime focus lies. Our System possesses certain dominant traits like non-combustibel qualities and higher tensile strength, which makes them stronger against natural calamities like fire, earthquakes or hurricanes.

Activities

On-site Panel fabrication

Our technology enables on-site fabrication of panels, thus ensuring utmost flexibility in work along with superior workmanship and enhanced efficiency.

Instant Installation of 1000 sq. mtrs. in just 12 hrs.

Something which none other roof can yet achieve, we work with an incredible fabrication and installation speed of covering over 1000 sq. mtrs. of area in just 12 hrs. This extraordinary operational speed proves to be an excellent application, especially in time-bound construction projects where timely implementation holds critical importance!

Product Range

HOT ROLLED

*HR Coil *HR Plate *HR Chequered Plate
*HR Chequered Coil *Centring Plate *HR Slit Coil

COLD ROLLED

*CR Coil *CR Sheet *CR Slit Coil

GALVANISED

*GC Sheets *GP Sheet *GP Coil *GP Roll
*GP Skin Past * BGL- Bare Galvalume

PRE-PAINTED

*960 Profile *Tata Profile 1070 *Tata Profile 1270
*Coated Steel Sheet *Tiles Profile *Galvalum Profile
*Camouflage *Color Coated Coil

ACCESORIES

*Plain Ridge *North Curve *Plain Curve
*Z Curve *Side Curve *Front Bend
*Full Bend *Turbo Ventilator Fan

POLYCARBONATE SHEETS

- *PC Corrugated Trapezoidal Sheets *PC 960
- *PC 1070 Tata Profile *PC 1270 Tata Profile
- *PC Corrugated Big Wave Profile
- *PC Corrugated Small Wave Profile *AC Profile Sheet
- *PC Hollow Multiwall Sheet * PC Hollow Triple Wall Sheet

MS,GP TUBES

- *MS Tube
- *GP Tube
- *CR Tube
- *ERW Tube

SCREW

- *Xylon - Seal HEX - HEAD Screws
- *Zinc - Seal HEX - HEAD Screws
- *Socket
- *High Speed Drill Machines

OTHER PRODUCTS

- *GI Wire * Binding Wire *Barbed Wire
- *Chain Links *Weld Mesh *Hook J,L,P
- *Nut Bolts *Cutter Wheel *Nails *Fibber Sheet
